

UNIVERSAL VALVE LIDS FROM UNDERHILL
FIT ALL 6" AND 7" ROUND BOXES

LAKE FOREST, CA

A new universal valve box cover is now available from Underhill International. The adaptable replacement cover fits all 6" and 7" round valve boxes. Constructed from high strength materials, the covers are UV resistant and have a 10-year warranty.

Underhill specializes in irrigation products for sports fields, residential and commercial sites, and golf courses. Among the company's popular lines are 2-Wire control systems, FCI Profile solid metal nozzles, Mirage wide-radius rotors, applicator guns, water removal pumps, tree watering stakes and hose and nozzle accessories.

The complete Underhill product line can be seen on the website at www.underhill.us. The telephone number is 866-863-3744.

Underhill is located in Lake Forest, CA, and has been in business for more than 28 years.
